

Junior year abroad program application form for Overseas student in Departments under Holistic Education

Application Date: yyyy / mm / dd

Department/ Grade		Name	(Chinese) (Same with ARC)
Student ID No.			(English) (Passport)
Phone No.		E-mail	

Explanation : (Reason for applying study abroad program)

- I. All Taiwanese students studying in Departments under Holistic Education are required to study abroad for one academic year in their junior year (starting from the year they go abroad, with a minimum of thirty weeks of studying being the standard). Overseas students with special circumstances may choose to go abroad, but they must submit a written application in accordance with the established procedures, have it reviewed and approved by their department, and then submit it to the Center for Holistic Education for its recordation before beginning their study abroad program.
- II. I hereby give my consent to the department to use my personal data listed in the application form for the purpose of registration and application for admission to the Junior year abroad program. In accordance with the Personal Information Protection Act, the personal data provided by the applicant will only be handled appropriately and relevantly and will be retained in accordance with the law or for a specific legal purpose and retention period.
