Subject : Applying for not residing at TKU International Dormitory

Not Residing for : 20____-20____ academic year

the first semester the second semester the whole academic year

Explanation : (please provide your explanation)

※ All-residential campus is one of the features of Holistic Education. It is stated in the admission brochure that freshman students are required to reside on campus. Due to the aforementioned reasons, the student is applying for exemption from on-campus housing and attaching relevant supporting documents.

※ This form must be signed and approved by the department chairperson before being submitted to the Holistic Education Center for review. Only those who receive approval are exempt from living on campus. Those who are not approved must live on dormitory during their sophomore year to complete the group learning experience.

(I have read and agreed to the above statement and signed at the student signature field.)
